

# THEMATIC SEGMENT AGENDA

**Sustaining the gains of the global HIV response  
to 2030 and beyond**

## **Sustaining the gains of the global HIV response to 2030 and beyond**

UNAIDS/PCB - 54

DATE: 27 June 2024

VENUE: WHO Auditorium, in-person and online (Zoom)

TIME: 09:00 – 16:30

### **Key objectives and focus of the meeting**

The thematic segment will provide an opportunity for the PCB to discuss the sustainability of the HIV response beyond 2030, including the rationale, urgency, challenges, opportunities and key elements for sustainability planning. In particular, the thematic segment will focus on:

1. Considerations for innovating and rapidly introducing the necessary foundations for sustainability of the HIV response up to and beyond 2030.
2. Lessons from the past and present to explore opportunities for sustaining the impact of the HIV response up to and beyond 2030.
3. Recommendations for actions to ensure that enabling environments, planning, partnerships, responses and roadmaps are outlined at the national, regional and global levels.

## THEMATIC SEGMENT AGENDA

### Moderators:

- **Anne Githuku-Shongwe**, Director, UNAIDS Regional Support Team for eastern and southern Africa
- **Jaime Atienza Azcona**, Director, Equitable Financing Practice, UNAIDS

### 09:00 – 09:30 Opening dialogue and keynote addresses

*The keynote speakers will provide “big picture” overview of the thematic segment strategic vision regarding the session objectives.*

- **Winnie Byanyima**, Executive Director, UNAIDS
- **H.E. Edwin. Dikoloti**, Minister of Health, Botswana
- **Florence Riako Anam**, Co-Executive Director, GNP+
- **Michelle Bachelet**, Former President of the Republic of Chile – video address

### 09:30 – 10:30 Session overview

*The session overview will provide the main highlights from the thematic segment background note, with a particular focus on “tipping points” shaping the sustainability of the HIV response, including a presentation on charting the future of HIV.*

- **Kathy Ward**, Health, Nutrition and Population Global Practice, World Bank Group
- **Jérôme Salomon**, Assistant Director-General, Universal Health Coverage, Communicable and Noncommunicable Diseases, World Health Organization
- **Mary Mahy**, Director, Data for Impact Practice, UNAIDS

### Remarks from the floor

### 10:30 – 11:00 Coffee break

### 11:00 – 12:00 Round table 1: The context and urgency of sustainability planning and response

*The panel of speakers will focus on the imperative for sustainability planning to sustain impact.*

- **Christoph Kurowski**, Global Lead for Health Financing, World Bank Group
- **Yogan Pillay**, Director, HIV & TB Delivery, Bill and Melinda Gates Foundation

- **Izukanji Sikazwe**, Chief Executive Officer for the Centre for Infectious Disease Research, Africa HIV Control Working Group, Zambia
- **Edwin Bernard**, Executive Director, HIV Justice Network, UK/Netherlands

#### Remarks from the floor

#### 12:00 – 13:00 Round table 2: Sustainability challenges and opportunities

*Speakers will use lessons and examples from the past and present to explore opportunities for sustaining impact towards 2030 and beyond.*

- **Glenda Gray**, CEO and President of the South African Medical Research Council, South Africa
- **Mariângela Simão**, Director-President of the Instituto Todos pela Saúde (ITpS), Brazil
- **Adeeba Kamarulzaman**, President & Pro Vice-Chancellor of Monash University Malaysia, Malaysia
- **Cindy Kelemi**, Executive Director, Botswana Network on HIV and the Law, Botswana
- **Ganna Dovbakh**, Executive Director, Eurasian Harm Reduction Association, Ukraine

#### Remarks from the floor

#### 13:00 – 14:00 Lunch break

#### 14:00 – 15:00 Round Table 3: A vision for a sustainable HIV response

*The panel will present various visions of sustainability. The initiatives taken by actors—governments, multilateral institutions, civil society organizations and others—and their strategies for achieving a sustainable HIV response by and beyond 2030 will be explored. Dialogue on the interactions needed between donor and partner governments, global institutions and civil society to achieve success will be encouraged.*

- **Amb. John Nkengasong**, Ambassador-at-Large, U.S. Global AIDS Coordinator, and Senior Bureau Official for Global Health Security and Diplomacy, PEPFAR
- **Peter Sands**, Executive Director, the Global Fund
- **Ruth Laibon-Masha**, Chief Executive Officer, National Syndemic Diseases Control Council & Chair, HIV Multi-Sectoral Leadership Forum of National AIDS Commission Directors, Kenya
- **Keren Dunaway**, Global Programmes Officer, International Community of Women Living with HIV, Honduras

#### Remarks from the floor

**15:00 – 15:30 Conclusions and the way forward**

*The concluding session will summarize the main messages from the thematic segment.*

- **Christine Stegling**, Deputy Executive Director, Policy, Advocacy and Knowledge, UNAIDS Secretariat
